## Pop Cans help the Ronald McDonald House

The Peace Builder club and the PTO are sponsoring the Ronald McDonald House. The local Ronald McDonald House provides comfort, convenience, and care for many families with very sick children every day, year round. The house relies on community support and volunteer hours to run efficiently day after day

Each time your family pops open a beverage can, you can twist off the pull tab, donate it, and earn money for the Ronald McDonald House! The high grade aluminum on the pull tab is worth more than the whole can – and you can still return your can for a full five cent bottle-bill rebate!

- Twist off the tab – they come off easily, and without injury with a good twist;
- Collect them at home; and
- Have your student bring them to school and drop them in the Ronald McDonald House collection jar in front of the school office.

## We Need Those Chinook Books!

Please remember to either return or pay \$20.00 for your Chinook Book. This coupon book was sent home last month for you to preview. We are still missing a few books. The PTO will have to use funds to pay for these books, if they are not returned or paid for.

Thank you very much for your help!
