7. Did you make a donation directly to Jacob Wismer PTO (via PledgeStar or cash/check)? No Problem! You can still get matching funds from Intel/Benevity, here's how:
 - First you will need a receipt from the Jacob Wismer PTO. PledgeStar provides you the receipt that you need, just print it off from the PledgeStar application. If you sent the PTO a check directly, you will need to email the PTO Treasurer at treasurer@jacobwismerpto.org and include:
 - Your student's name and teacher
 - The amount that was donated by an Intel employee that can be matched
 - The type of donation (check, cash)
 - Once you have the Receipt from the PTO Treasurer, Follow the link: <https://intel.benevity.org/request-a-match>
 - Enter "**Jacob Wismer PTO**" in the search for a cause and ADD
 - Follow the instructions on the sheet.
 - Once you have email confirmation of matching from Benevity, forward it to jweaglerun@gmail.com and we will credit your student(s) accordingly

THANK YOU for supporting the Jacob Wismer PTO with your donations and matching funds from INTEL.
