Pilot Community Group Program

What are Community Groups?

Community groups are individual ethnic communities connecting throughout Jacob Wismer for the purpose of communicating and sharing in their own language.

- Mandarin Speaking Community - Christine Lu
- Indian Origin Community - Meenakshi Dewan
- Japanese Community - Atsuko Hiramatsu

Study Pod Program

The study pod program allows families to connect with other families in the same grade and jointly manage a study group suitable to their needs.

PTO gathers interest forms

PTO connects families of same grade level

Parents discuss and organize how to manage the study pod

Pilot Buddy Program

Connecting JW parent volunteers with new families who may need help in adjusting to their new environment, for both the parent and child.
